EXAMINATION OF PRACTITIONERS. SEC. 9. Notwithstanding any provision contained in any other section of this act the board, upon receipt of the fee of twenty-five dollars, shall issue a license to any of the following named persons:

WHO ELSE TO BE LICENSED.

(a) To each member of the board.

(b) To any person licensed to practice chiropractic under the laws of another state, having the same general requirements as prescribed in this act; and provided, further, that such other state in like manner grants reciprocal registration to chiropractic practitioners of this state.

Sec. 10. (a) The board shall refuse to grant, or may revoke, a license to practice chiropractic in this state, or may cause a licensee's name to be removed from all records of licensed practitioners of chiropractic in this state, upon any of the following grounds, to wit:

The employment of fraud or deception in applying for a license or in passing an examination as provided in this act; the practice of chiropractic under a false or assumed name; or the personation of another practitioner of like or different name; the conviction of a crime involving moral turpitude; habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate him for the performance of his professional duties; the advertising of any means whereby the monthly periods of women can be regulated or the nerves reestablished if suppressed; or the advertising, directly, indirectly or in substance, upon any card, sign, newspaper advertisement, or other written or printed sign or advertisement, that the holder of such license or any other person, company or association by which he or she is employed, or in whose service he or she is, will treat, cure, or attempt to treat or cure, any venereal disease, or will treat or cure, or attempt to treat or cure, any person afflicted with any sexual disease, for lost manhood, sexual weakness or sexual disorder or any disease of the sexual organs; or being employed by, or being in the service of any person, company or association so advertising. Any person who is a licensee, or who is an applicant for a license to practice chiropractic, against whom any of the foregoing grounds for revoking or refusing a license is presented to the board with a view of having the board revoke or refuse to grant a license, shall be furnished with a copy of the complaint, and shall have a hearing before the board in person or by an attorney, and witnesses may be examined by the board respecting the guilt or innocence of the accused. The secretary on all cases of revocation shall enter on his register the fact of such revocation, and shall certify the fact of such revocation under the seal of the board to the county clerk of the counties in which the certificates of the person whose certificate has been revoked is recorded; and said clerk must thereupon write upon the margin or across the face of his register of the certificate of such person the following: "This certificate was revoked on the _____ day of _____," giving the day, month and year of such revocation in accordance with said certification to him by said secretary. The record of such revocation so made by said county clerk shall be prima facie evidence of the fact thereof, and of the regularity of all proceedings of said board in the matter of said revocation.

(b) At any time after two years following the revocation or cancellation of a license or registration under this section, the board may, by a majority vote, reissue said license to the person affected, restoring him to, or conferring on him all the rights and privileges granted by his original license or certificate. Any person to whom such rights have been restored shall pay to the secretary the sum of twenty-five dollars upon the issuance of a new license.

Sec. 11. (a) Every person who shall receive a license from the board shall have it recorded in the office of the county clerk of the county in which he resides, and shall have it likewise recorded in the counties into which he shall subsequently move for the purpose of practicing chiropractic.

(b) The failure or the refusal on the part of the holder of a license to have it recorded before he shall begin to practice chiropractic in this state, after having been notified by the board to do so, shall be sufficient ground to revoke or cancel a license and to render it null and void.

(c) The county clerk of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp upon the face thereof his
